

Introduction of Global MOOC and Online Education Alliance

WANG Xiaoxiao

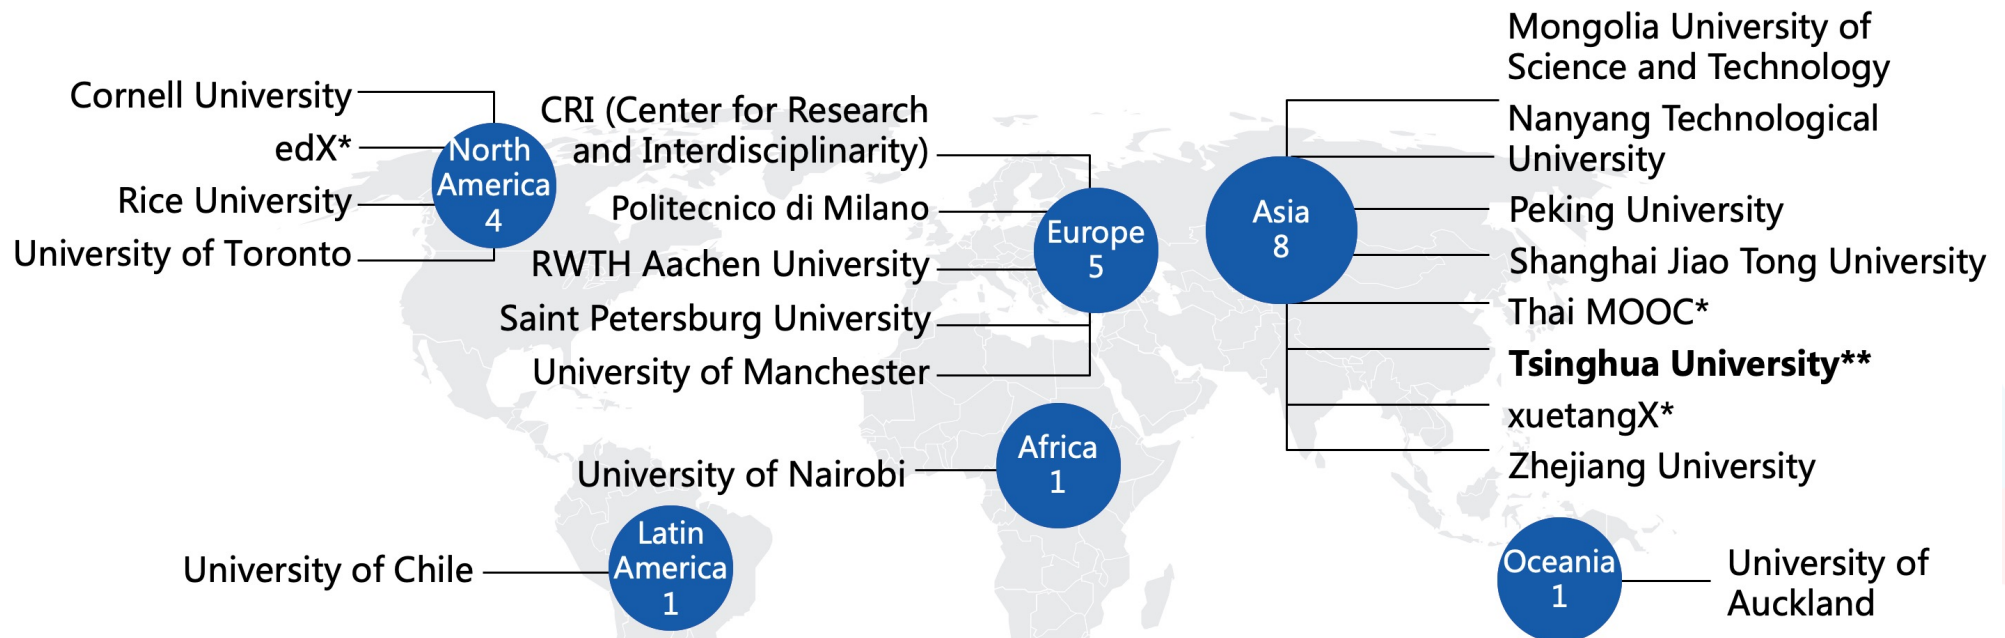

Secretary-General, Global MOOC and Online Education Alliance

xxwang@tsinghua.edu.cn

Introduction of Global MOOC and Online Education Alliance

Global MOOC and Online Education Alliance (GMA) members are world-leading universities and platforms from across the globe. GMA is initiated by Tsinghua University (also elected as the inaugural chair institution and where the secretariat is based), and co-founded by 20 institutions in Dec 2020.

*Thai MOOC, edX, xuetangX are online education platforms

** Tsinghua University was elected as the inaugural chair institution of the alliance

Introduction of Global MOOC and Online Education Alliance

Joint Teaching: GMA shall encourage and strengthen bilateral or multilateral cooperation for fully online/ blended/ hybrid courses and lifelong education programs development among members.

Capacity Building: GMA shall encourage and strengthen the cooperation between members to progress research, develop tools and cultivate talents in the field of MOOC and online education.

Knowledge Sharing: GMA shall host regular webinars (expert panels, workshops, showcases) to share experiences and best practices, feature related news and members' MOOCs and online education programs through GMA's digital hub and online newsletter.

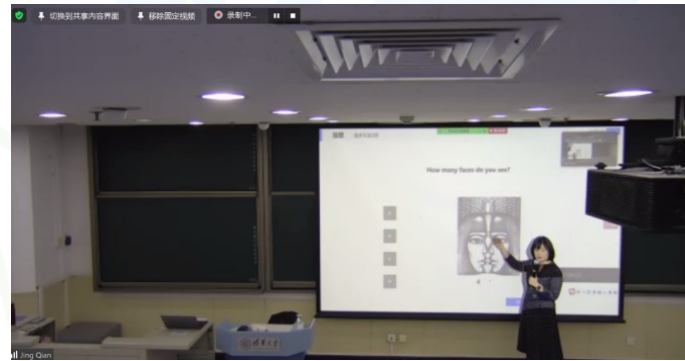

Public Advocacy: GMA shall guide the transformation of public perception and build consensus about the development of MOOC and online education in higher education, including public awareness regarding UN Sustainable Development Goal 4 (Quality Education).

Joint Teaching
